

REMARKS

In response to the restriction requirement in the Office Action mailed on July 6, 2006, Applicant elects Species IV (FIGS. 2-3 and 22-36).

Claims 1, 4, 5, 8-13, 16-26, 29-31, and 33-35 encompass the elected Species IV. Claims 1, 8-14, 19, 20, and 22-25 are generic to all five Species.

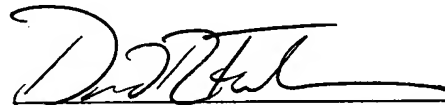

With this Amendment and Response, paragraph 0071 has been amended. Upon reviewing the Specification and claims to prepare a Response to the Office Action, it was discovered that the basecoat in FIG. 37 was erroneously referred to in paragraph 0071 as "basecoat 160" rather than "basecoat 158". This amendment corrects paragraph 0071, to make it consistent with FIG. 37, as well as with reference to "basecoat 158" in the Specification in conjunction with the embodiment shown in FIGS. 22-36.

Respectfully submitted,

KINNEY & LANGE, P.A.
